

Newcastle Jets Paper Plane Challenge – Safety Instructions

Please direct your attention to the following important safety instructions to ensure a safe and enjoyable experience for all participants.

- 1. All paper planes must be thrown exclusively from Level 1 (ground level).**
- 2. Only the approved Newcastle Jets paper planes** provided by event staff may be used.
These planes must not be altered in any way.
 - No added weights
 - No sharp edges
 - No metal, plastic, wood, or foreign materials
- 3. Please maintain orderly conduct in the throwing zone.**
Running, pushing, or crowding the area is not permitted.
- 4. All aisles, stairways, and emergency exits must remain clear** at all times.
- 5. Children must be supervised by a parent or guardian** throughout their participation.
- 6. If you observe unsafe behaviour or a safety concern,** please notify a stadium official immediately.

*Thank you, Newcastle Jets fans, for your cooperation and enthusiasm.
We wish all participants the very best in today's Paper Plane Challenge.*
